

## **Business Administration Concentrations, Opus College of Business FAQs**

### **1. Where can I learn more about the Business Administration major concentrations?**

All students majoring in [Business Administration](#) will complete the core business requirements, which allows for exploration in multiple functional areas before choosing a concentration. We encourage students to choose one of the 12 concentration areas by the end of your sophomore year.

### **2. What are the required core business courses? When must they be completed?**

The required core business course must be completed by the end of the sophomore year. The core courses include:

- BUSN 100
- ENTR 100
- ACCT 200
- BUSN 200
- MKTG 200
- MGMT 200
- BETH 300
- BLAW 300
- FINC 310
- OPMT 300

### **3. Besides business courses, how else can I get involved in my concentration area?**

The Opus College of Business officially recognizes 16 student clubs. Clubs are a great way to connect with fellow business students, alumni, employers, and faculty within your concentration or interest area. Check out these [business clubs](#) to explore your interests further.
