

## Disability Resources FAQs

### 1. Who are we?

The Disability Resources office works with students who have disabilities including but not limited to mental health diagnoses, learning disabilities, Attention Deficit Disorder, Autism, chronic medical conditions, visual, mobility, and hearing disabilities.

### 2. What do we do?

We work with students, faculty, and staff to collaborate to arrange reasonable accommodations that support students' individual needs.

### 3. What accommodations and services do we offer?

While accommodations are determined on a case by case basis, these are some of the more common accommodations we provide:

- **Accommodations:**
  - Extended time to complete exams
  - Distraction reduced space to complete exams
  - Reader and scribe for exams
  - Audio books
  - Note taking software and support
  - Assistive Technology
- **Services:**
  - Assistance in communicating with faculty
  - Check in meetings
  - Time management and organization support
  - Pre-Screening for Attention Deficit Disorder and learning disabilities

### 4. How do students get started with our office?

Call 651-962-6315 between 8:00 am and 4:30 pm, Monday-Friday to schedule an appointment. At the appointment, we will learn more about you and how your disability impacts you.
