

Veteran Services FAQs

1. What do I do with my GI Bill?

St. Thomas has two Certifying Officials; Nicole Brumley, nicole.brumley@stthomas.edu, and Nick Doten, dote6519@stthomas.edu. Both are equipped and ready to assist in processing your GI Bill benefits.

2. Do you have a Veterans Center?

Yes, we do. The Veterans Resource Center (VRC) has computer stations, sitting and relaxing areas, a quiet study room, and break room with coffee available for student veterans. It is located on the lower level of Murray Herrick Campus Center, room MHC LL17.

3. Do you have a Veterans Student Group?

Yes, we do. The St Thomas Veterans Association (STVA) is a great way to meet and interact with fellow veterans. Events such as networking, business workshops, and community service are offered through this group. Contact Norman Ferguson, ferg1727@stthomas.edu, fellow veteran and advisor of this group with your interest in this group or questions.

4. What do you have to support veterans and their families?

Please contact the Director of Veterans Services, Norman Ferguson, ferg1727@stthomas.edu, to find out exactly what St Thomas has for student veterans and their families. Programs include lunch and learns with community partners, financial assistance, and help with course registration. A full-time staff member is dedicated to the success of every student veteran. Check out how the VRC can help you succeed in college.
