

Instructions to park behind the Interprofessional Center:

Our office is located at 30 S. 10th Street, Minneapolis, MN 55403, next door to the FAIR School, Downtown Campus. 10th street is a one way that runs directly in front of Opus Hall (where we are located), and there is a parking lot area behind the building. To access the parking, you must enter from 10th and Hennepin Avenue near the Hennepin @ 10th Ramp. If coming off of 10th street, take a left at the Hennepin Avenue light and then take an almost immediate right down the alleyway. If coming from Hennepin Avenue proceed past 10th street and turn right behind the FAIR School. Do not park in the Hennepin @ 10th Ramp as we are not able to validate. Proceed down the alleyway and turn right into the small parking lot, you will see signs on the building that read "University of St. Thomas Restricted Parking Only."

Please see below for visuals.
