

At St. Thomas, we're on a mission to do good. Inspired by the Catholic intellectual tradition, our curriculum combines the practical with the purposeful - giving you the opportunity to get out and make a difference in our Minneapolis-St. Paul community while you're a student and preparing you for a lifetime of meaningful work after you graduate.

This guide is meant to assist students in selecting courses that will fulfill St. Thomas requirements, while also completing goal areas within the Minnesota Transfer Curriculum (MnTC). St. Thomas evaluates courses on a course-by-course basis. While many of the courses in the MnTC or the Associate of Arts (A.A.) degree fulfill St. Thomas' core curriculum, it does NOT fulfill our liberal arts requirements in their entirety.
