

2026-2027 HOUSING INFORMATION SESSIONS

We encourage all students interested in living on-campus during the 2026-2027 academic year to attend one of the many information sessions. The process will look different from previous years. Sessions will cover information on how the process works, the timeline, roommate requests, accommodation requests, housing styles/options, Second-Year Living Learning Communities, and more.

The presentation is about 30 minutes with time afterward for questions. Students may attend any session based on their schedule, the content is the same for all sessions.
