2:45 P.M. - BREAKOUT SESSION III

Choose an option from the right page

3:15 P.M. - CAMPUS TOUR

Departs from OEC auditorium & McNeely

4:30 P.M. - DEPART CAMPUS

BREAKOUT SESSIONS I AND II

BEYOND THE CLASSROOM

OEC auditorium

Listen to current Tommies talk about St. Thomas life outside the classroom. Topics include what it's like being involved in clubs and organizations, faith life on campus, living in the halls, athletics and traditions that make St. Thomas unique.

FINANCING YOUR ST. THOMAS EDUCATION

McNeely Hall, 100

Learn about the value of a St. Thomas education and our commitment to our students. Discover how the St. Thomas financial aid process begins at the point of admission. Feel free to ask our financial aid staff all of your questions.

STUDY ABROAD: ADD IT TO YOUR FOUR-YEAR PLAN

OEC balcony, 216

By graduation, 59 percent of Tommies study abroad, compared to 10 percent nationally. Join current students, faculty and study abroad staff to learn how you can define your own experience: customizing program length and adding an internship, service-learning or field study component, all while completing courses to keep you on track to graduation.

ST. THOMAS HELPS YOU ACHIEVE

OEC balcony, 201

Hear from our offices of Academic Counseling, Career Development and Undergraduate Research that belong to our Center for Student Achievement (CSA) as well as a representative from our Aquinas Scholars honors program. Learn about resources for academic exploration, support and enrichment. Find out how students can engage with these resources their first year on campus.

BREAKOUT SESSION III

PRE- HEALTH SCIENCES PREVIEW

OEC auditorium

Students in health-related fields (such as medicine, dentistry, veterinary medicine, pharmacy and exercise science) benefit greatly from experiential learning, research and internships. Learn how to enrich your education as you prepare for the next step towards your career.

THE OPUS COLLEGE OF BUSINESS

McNeely Hall, 100

Join representatives from the Opus College of Business to find out what makes our business programs unique and how a St. Thomas degree will prepare you for the future.

THE SCHOOL OF ENGINEERING

OEC balcony, 216

Do you feel the need to make the world a better place for the people around you? Join us for a session to highlight what makes our engineering students stand out as they enter a field of double-digit job growth.

EXPLORING THE LIBERAL ARTS

OEC balcony, 201

Hear about majors and research in the sciences, social sciences and humanities in the College of Arts and Sciences. Learn how a St. Thomas liberal arts experience provides a timeless education for a changing world.

JOURNALISM, DIGITAL MEDIA ARTS & STRATEGIC COMMUNICATION

OEC basement, LL13

Students in JDSC learn mass media skills from practitioners in their fields, including on-line journalism, video, web and audio production, PR and advertising. Hear about JDSC and then take a mini-tour of our facilities: TommieMedia, KUST Radio, the Media Lab and the TV Studio.

JUSTICE AND SERVICE PROFESSIONS

Murray-Herrick Center, 124

Do you want to spend your career helping people? Hear from panelists that may include Social Work, Public Health, Family Studies, Psychology and Criminal Justice. Gain insights on these majors and how you can best serve others.
