¹ Total Program Costs represent cost of every credit and course for program. Students with applicable transfer credits will have a lower cost.											
² Includes required supporting courses, if applicable, but not prerequisite courses.											
³ Tuition represents 2011-2012 per credit rate multiplied by the number of total credits for program plus estimated fees.											
⁴ Actual book expenses may vary based on purchase of used or new text books.											
⁵ Not required to be disclosed if the number of students who completed the program was less than 10 in the last award year.											
⁶ The University of St. Thomas is not required by the State of Minnesota or by its accreditor, the Higher Learning Commission of the North Central Association, to calculate or report placement rates for these programs.											
⁷ Not available.
